Re: Proposed Citi Bike Demonstrations in New York City  
outside of Phase I and Phase II Areas

Dear Mr. Flynn:

The New York City Department of Transportation (“NYCDOT”) has learned that you or your agents have commenced and plan to continue Citi Bike demonstrations and/or service in areas of New York City outside of Phase I and Phase II areas as set forth in the Agreement between the City of New York and NYC Bikeshare, LLC, dated as of October 24, 2014. Please be advised that you do not have the authorization or permission from the City of New York, pursuant to said Agreement or otherwise, for such demonstrations and/or service.

Accordingly, you are hereby directed immediately to cease and desist from any such operations.

Your immediate attention and cooperation on this matter is appreciated.

Very truly yours,

Michelle Craven  
Senior Executive Director  
Cityscape & Franchises
